

How to Write and Share Your Legacy Letter (Testimony)

You have a spiritual legacy of faith and people you meet need to hear how you became a follower of Christ and how He is transforming your life. Read the suggestions below and jot down some thoughts under each section.

Share what.

What was your life like before you became a follower of Christ? What was happening in your life when you met Jesus? What were the circumstances that led you listen to and receive the Gospel?

Share how.

How did you actually hear the Gospel, and who did you hear it from? What did the person you were talking with say or do that made you realize that you needed to make Jesus your Lord and Savior?

Share why.

Why has your decision to follow Christ changed your life? Share what God has done to transform you into a Christ-follower.

Share now.

Pray and commit to share your legacy of becoming a follower of Christ as often as you can. To help seal this commitment, commit to share your legacy at least once in the next 72 hours (3 days). With whom could you share your story? Is there a place (restaurant, family meal, etc.) that would be conducive to sharing your spiritual legacy)?

Consider writing your prayer, commitment, and the names of two to three people whom you may have the opportunity to share the Gospel with this week.
